### CLUB RULES

- Participate in and Promote **ALL** club functions.
- Accept everyone's differences.
- Pay your fees.
- Support the club sponsors.
- Enjoy the company of your team-mates.
- Support the club bar.
- Support the other teams within the club.
- Get to know as many people at the club as possible, especially those in other teams.
- Always be polite and respect the opposition clubs when playing away – we would expect the same (support their bar and canteen – never bring alcohol to an away fixture).
- Team Presentations on a Saturday night are **COMPULSORY**. You must notify not only your coach but apologise to your team-mates if you are unable to attend.
- Promote the club to external players, spectators and observers.
